COUNTY COMMISSIONER'S YEARLY REPORT

In compliance with the Laws of the State of New Hampshire, the Board of Hillsborough County Commissioners present their annual report with reports of Treasurer, Clerk of Court, Solicitor, Sheriff, Jailer, County Home Superintendent, Moore General Hospital Superintendent, County Physician, Chaplains, and County Extension Service.

The County ended the fiscal year with a cash surplus of \$10,829.40. This was the result of a careful check on departmental expenditures thereby resulting in substantial appropriation balances and in spite of the fact that the overall revenues were considerably less than estimated.

As mentioned in the Farm and Hospital reports many repairs and improvements were made as well as the purchase of new equipment during the year 1961.

The Board of County Commissioners appreciate and wish to thank every organization for all the happiness and comfort given to inmates of the County Home and patients of the Moore General Hospital.

We also want to thank all County officials, Superintendents of the Moore General Hospital and County Home and all County employees for their help and cooperation;

To all State officials, the Board of Mayor and Aldermen of Manchester and Nashua and all City and Town officials and all private and public agencies who have given us their cooperation and help, we are grateful and appreciate everything they have done.

HONORE E. BOUTHILLIER
THEODORE R. LANGDELL
GERMAIN R. DUPONT

SUMMARY OF FINDINGS AND RECOMMENDATIONS

March 15, 1961

Board of Commissioners
Hillsborough County
Manchester, New Hampshire

Gentlemen:

In accordance with the provisions of Chapter 71, Section 27, of the Revised Statutes Annotated, an examination and audit of the accounts of Hillsborough County has been made by this Division. The audit covered the fiscal year ended December 31, 1960. Submitted herewith is the report of this audit including Exhibits as hereafter listed. The report consists of two sections as follows:

- Section I - Fiscal Year Ended December 31, 1960
- Section II - Ten Year Statement of County Taxes
Assessed, Net Debt and Bonded Debt

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of County Commissioners, County Treasurer, Clerk of the Superior Court, Superintendent of the County Farm and the County Hospital.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1959 - December 31, 1960: (Exhibit A-1)

Comparative Balance Sheets for the fiscal years ended December 31, 1959 and December 31, 1960, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$79,542.60 in 1960.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the County during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus

Cash Surplus Used to Reduce County Tax	\$151,961.67
--	--------------

Increase in Surplus

Net Budget Surplus	\$55,088.65	
Bonds Paid	15,000.00	
Increase in Accounts Receivable	<u>2,330.42</u>	
		<u>72,419.07</u>
Net Decrease		\$ 79,542.60

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1960, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$87,730.67, less a revenue deficit of \$32,642.02, resulted in a net budget surplus of \$55,088.65.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of the receipts and expenditures of the County for the fiscal year ended December 31, 1960, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance, as of December 31, 1960, is indicated in Exhibit B-2.

Bonded Indebtedness: (Exhibit B-3)

The bonded debt of the County as of December 31, 1960, in the amount of \$15,000.00, will be entirely paid in 1961.

ACCOUNTS OF COMMISSIONERS AND TREASURER

An examination was made of orders issued by the Commissioners and Clerk of the Superior Court during the fiscal year ended December 31, 1960. A substantial number of supporting invoices and payrolls were likewise examined and the classification of expenditures noted.

CLERK OF THE SUPERIOR COURT

The financial accounts and records of the Clerk of the Superior Court of Hillsborough County were examined. Court receipts were checked by source, insofar as possible, and found to be properly recorded. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

COUNTY FARM AND HOSPITAL

The accounts of records of the Superintendent of the County Farm and the Moore General Hospital were examined. Receipts of the Farm from the sale of livestock and produce and from boarders were checked by source through the triplicate receipt forms. All receipts of the Farm, as well as the receipts of the Hospital, as recorded in the cash book, were properly accounted for by the Superintendent through deposits in the bank to the credit of the County Treasurer's account.

Moore General Hospital - Accounts Receivable:

The accounts receivable at the Moore General Hospital at the close of the last two fiscal years, as indicated by the institution records and giving effect to reserves for doubtful accounts, were as follows:

	<u>December 31, 1959</u>	<u>December 31, 1960</u>
Total Accounts Receivable	\$118,002.02	\$120,915.05

Less: Reserve for Doubtful Accounts	23,600.40	24,183.01
	<u>\$ 94,401.62</u>	<u>\$ 96,732.04</u>

An auditor's verification notice was sent to each individual whose name appeared on the list of accounts receivable. A total of 450 notices were mailed.

Welfare Cases at County Hospital:

It is noted that in accordance with our recommendation, monthly bills are now being rendered by the hospital to the County Commissioners for all County welfare cases receiving hospital care. County checks are issued monthly in favor of the hospital and charged to the appropriation for "Poor Off Farm" in settlement of these accounts, the hospital thereby receiving actual payment for services furnished County welfare cases.

Classification of Salaries:

The salaries of three employees in the business office should be charged to the appropriation account "County Officers' Expenses", rather than "Welfare Administration Expense" as at present.

Telephone Bill of County Official:

The practise of paying for the residential telephone of the County Treasurer should be discontinued, as this is not properly an expense of the County.

Surety Bond for Superintendent of Hospital:

It is recommended that a blanket surety bond for at least \$25,000.00, covering the Superintendent and office personnel of the Moore General Hospital, be obtained.

Conclusion:

In accordance with the provisions of Chapter 184 of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby expressed to the officials of Hillsborough County and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

Harold G. Fowler

To the Honorable Board of Commissioners of Hillsborough County, New Hampshire:

Gentlemen:

I am forwarding you herein my annual report of the Moore General Hospital for the year ending December 31, 1961.

As indicated in the report the year 1961 saw many new improvements in the hospital and in the Caron building. It also saw the installation of new and improved equipment required for our operation.

This annual report would be inadequate if it failed to mention the numerous friends of the hospital who have contributed their time and efforts in attending to the welfare of the patients and advancing the interests of our staff and students.

Demanding special recognition are the members of the Moore General Hospital Associates who have spent a great deal of time bringing warmth and comfort to the patients. Also to the members of the Business and Professional Women's Club for their continual interest and gifts to the patients.

On behalf of the Staff and myself I wish to express our deep appreciation to the County Commissioners, the doctors on the Medical and Surgical Staff, to Ralph Lavalley, Superintendent of the County Farm, to the visiting Clergy and to the employees of the hospital whose joint efforts made the success of the hospital possible.

Respectfully submitted,

Marion G. Lamy,
Superintendent

To the Honorable Board of Commissioners, Hillsborough
County, N.H.

Gentlemen:

Please consider this letter as my report for the year 1961. All county patients from the Manchester area were treated at the court house office and at the Moore General Hospital. There were more patients treated at the office and many more at the Moore General than in 1960.

There was the usual fine cooperation between the hospital and this office and for this I express my appreciation.

Respectfully submitted,

Jean N. Leclerc, M.D.
County Physician

To the Honorable Board of Commissioners
Hillsborough County

Gentlemen:

As Protestant Chaplain of the County Home and Moore General Hospital it gives me pleasure to make the following report:

During the year services were held each Sunday morning at the House of Correction. On two occasions slides were shown in the chapel and at the House of Correction. A visitation program has been conducted throughout each institution in order to bring a word of comfort and cheer to each one. Where it has been practical more time has been spent with individuals to bring spiritual guidance and comfort. Reading materials have been made available to those who have expressed a desire to have such literature.

I wish to express my appreciation to both Supt. Lavallee of the County Home and Supt. Lamy of the Moore General and to their staffs for their cooperation in all ways. It has been a pleasure to work at both institutions in the past year with many rewarding experiences.

Respectfully submitted,

Rev. Donald G. Bentley
Protestant Chaplain

CHAPLAIN'S REPORT

December 31, 1961

To the Commissioners of Hillsborough County:

Again I am happy to report on the activities of the Catholic Chaplain for the Home and the Hospital. This year has been another very encouraging and rewarding year. It has been encouraging particularly because of the fine spirit of cooperation and assistance on the part of each employee of the Home and the Hospital. It has been rewarding because of the desires, needs, and requests of the patients and inmates.

This year the usual activities have been fulfilled. The Holy Sacrifice of Mass was offered each Sunday and Holy-day. Holy Communion was brought to various parts of the Home on the first Friday of each month. Special prayers were offered on special occasions such as the holy season of Lent. Periodic visitation of the Home and daily visits to the Hospital enabled me to fulfill the immediate needs of those in either institution.

At this time I wish to acknowledge and thank those friends and workers and anyone who helped to provide a new set of vestments used each Sunday. I would also like to express my thanks to Mr. Lavallee (superintendent of the Home), Mr. Hurley, his assistant, for their cooperation and that of their assistants. I would like to thank Mrs. Mary Lamy (administrator of the Hospital) and her staff of supervisors and nurses for their cooperation in obtaining my services when the needs arose.

Finally, I wish to express my gratitude to you, the commissioners, for your continued cooperation in my work in your institutions. May the blessing of Almighty God continue to be shared upon everyone in any way associated with the Hillsborough County Home and Moore General Hospital.

Sincerely in Christ,

Rev. George F. Harvey
Catholic Chaplain

SUPERINTENDENT'S REPORT

To the Honorable Board of Commissioners

Hillsborough County

Gentlemen:

It is a pleasure for me to submit my Annual Report of activities at the Hillsborough County Home, Farm, and House of Correction for the fiscal year ending with December 31, 1961. May I say at this time that the year 1961 has been a most pleasant and progressive one. We have continued our program of improvements and modernization within the institution, thus creating a more pleasant atmosphere for all concerned, and improve the morale of the patients.

The work that was started in Ward IV was completed during 1961. The dining room was completely renovated, walls have been covered with paneling, new ceiling installed, as well as a new floor and covered with bright colored floor tile. The reception room was isolated from the dining area, thereby permitting visitors to come in without going through the dining room. The bathrooms have been redesigned, enlarged, and modernized with ceramic floor and wall tile, new fixtures installed.

The other wards have been repainted with brighter colors, new floors installed, and covered with floor tiles, and new ceilings installed with modern light fixtures. The ladies bathrooms and toilets were provided with metal partitions, thus enhancing the degree of privacy that is expected in our modern age.

The highlight of the year was being licensed as the "Hillsborough County Nursing Home" by the N. H. State Department of Health Bureau of Hospital Services. This licensing was possible because of the tremendous improvements of condition within the institution.

Much time and efforts were devoted to the improvement of our dairy herd. Many head of cattle were culled from the herd, these were dressed and consumed by the institution, thus saving much money in our cost of provisions. Money was appropriated for the purchase of cattle, and we bought eight cows, that improved our herd considerably. Our milk production was increased from 8,500 pounds herd average to almost 13,000 pounds herd average. By the end of 1961 we were milking less cows and making more milk than we were at the beginning of the year. All of this improvement was possible only through the know-how of Commissioner Langdell and the cooperation of Commissioners Bouthillier and Dupont. Our farming program has been modernized to the point where our harvests of hay, corn, and vegetables may be predicted somewhat accurately. The soil is being fertilized more scientifically and periodic tests taken, thereby improving the production of the soil. All this work is being done in conjunction with the Hillsborough County Farm Bureau and Extension Service.

Much work was done in the Laundry and most of the equipment was replaced with good used stainless steel washers, and another dryer was installed. General repairs on the steam lines, electrical wiring, and painting was continued.

The volunteer work of the Hillsborough County Home Guild was invaluable to the improvement of the morale of the patients. Many hours were devoted for the entertainment of the patients as well as occupational therapy. Many thanks to this group of lady volunteers.

None of the improvements, changes, and progress made during 1962 would have been possible without the full cooperation of the Board of Commissioners, the Executive Committee, the County Delegation, the Reverend Chaplains, and all the employees.

To all the Fraternal Organizations and the Service Organizations too numerous to mention, who have helped promote the morale of the patients, and the prisoners throughout the year and especially during the holiday season, I wish to express my most grateful and sincere thanks.

May I express to all the above mentioned, my sincere gratitude and appreciation for making the year 1961 a most successful and pleasant year.

Respectfully submitted,

To the Honorable Board of Commissioners of Hillsborough County:

The following is the report of the County Attorney for the period beginning January 1, 1961 and ending December 31, 1961.

During the course of 1961, three hundred and fourteen indictments were disposed of, which represents the largest number of indictments handled in any one year during my tenure of office.

In addition, one hundred and four appeal cases were disposed of, which also is an increase over past years.

There were thirteen petitions under New Hampshire Revised Statutes Annotated, 1955, Chapter 173.

Forty hearings were held in Court under the Uniform Reciprocal Enforcement of Support Act, and also nine petitions under this Act were prepared and forwarded to other States for disposition in their Courts.

Thirteen fatal accidents were investigated during the year and these cases were presented to the Grand Jury for consideration.

Numerous problems originating from other county departments were brought to my attention and these matters have been settled. A number of writs were brought on behalf of the County and most of these cases have been settled.

Respectfully submitted

Conrad Danais
County Attorney

COUNTY EXTENSION SERVICE REPORT

To: The Hillsboro County Board of Commissioners

Gentlemen:

It is my pleasure to submit a summary of the activities of the Hillsboro County Cooperative Extension Service for the year 1961. A detailed annual report covering each line of work is on file in the County Commissioners office in Manchester, the Extension Service Director's Office in Durham, and the County Extension Office in Milford.

The Extension Service is the educational arm of the United States Department of Agriculture and the University of New Hampshire. The work is cooperatively financed with county, state and federal funds.

The Hillsboro County Cooperative Extension Service served the people of the county in Agriculture, Forestry, Home Economics and Youth. The Extension Agents have up to date information to help people solve various farm and home problems. Contrary to the general opinion, Extension does help people both in the cities and rural towns.

The professional County Extension Staff consists of six full-time and one part-time Agents, having an average job tenure of nine years. In addition, State Extension Specialists stationed in Durham at the University of New Hampshire, are available to work with the County workers on the various educational programs.

Through the combined efforts of the present professional staff, the County Extension Service Council and the various advisory councils, a progressive program for all the people in Hillsboro County is possible.

THE 4-H CLUB PROGRAM

The 4-H Club program in Hillsboro County for 1961 involved 1142 youth and adults. Leadership training and opportunities were given to 220 people. 4-H Clubs were operating in 27 towns and cities within the county. Urban clubs located in Manchester and Nashua had 143 4-H Club members enrolled in 14 clubs. The 967 4-H Club members enrolled in 1656 projects. Four adult club leaders received specialized training in citizenship at the National 4-H Club Center in Washington, D. C. Camping is an integral and important part of the 4-H Club program, 176 members attended camp and 29 older club members acted as counselors at camp. The total program is much larger than these statistics indicate. 4-H opportunities exist and are available to every boy and girl 9-21 years of age within this country.

ADULT HOME ECONOMICS PROGRAM

This program is carried on (1) By working with 30 Extension Groups of homemakers, with a membership of 700. (2) By cooperating with women's groups that are interested in Home Economic education. These are church groups, Y.W.C.A. groups, and Granges, etc.

Extension groups are located in every town or city with the exception of Bedford, Brookline, Frankestown, Greenfield, Hancock and Mont Vernon. Many homemakers of these towns receive help through a monthly newsletter and by attending Extension meetings in nearby towns.

During the year, the Home Agents taught at 175 meetings, attendance 2971. Home Agents held 29 Leader Training classes, attendance 319.

Trained leaders held 117 meetings, attendance 1488.

AGRICULTURE

During the year, the County Agricultural Agents provided educational programs for over 700 Commercial farmers, Hillsboro County food retailers, and home gardeners in an organized way and in addition worked with many other groups and individuals as requested.

A total of 99 meetings were held with a total attendance of 2579. In addition, 560 farm or home visits were made by the Agricultural Agents, and 342 individuals called at the office for assistance.

FORESTRY

Interest in proper woodland management seems to be on the increase each year, judging by the number of requests received by the Forester. The largest share of requests is from non-farm and non-resident owners. During the year, 147 woodland owners received woodland management assistance on 3985 acres from the County Forester. Emphasis has been placed on the care and management of the younger stands of timber, improvement practices were carried out on 876 acres of young timber. The proper care of these young stands today will mean better quality timber in the future. 70,000 tree seedlings were set out in old fields and areas not fully stocked by natural seedings. 359,000 board feet of lumber were harvested from marked woodlots.

SUMMARY

In addition to the above, Hillsboro County Extension Service Agents distributed 14,663 educational bulletins, wrote 222 news articles, made or received 2054 phone calls and prepared 5 television programs during 1961.

Sincerely yours,

Perley D. Colby
County Agricultural Agent

Referees and Masters

Rep. Pillsbury asked for an explanation why this amount was raised from \$1,500.00 to \$3,000.00. It was explained that there were several cases coming up this year which would justify the increase.

It was brought out that the Sheriff had submitted two estimates, one for \$62,100.00 and the other for \$39,642.00 but nothing had been included in the 1961 budget to take care of these improvements.

The Chairman said that the Executive Committee tabled the requests for improvements since they did not feel there was an immediate emergency and that since the 1961 budget figures were being increased considerably they did not feel that any more expense should be added to the taxpayer at this time.

Rep. Taft explained that the Committee did not feel that there was any dire emergency also pointed out the differences in estimates and said that this matter should be studied further. Sheriff O'Brien agreed that perhaps at the present time it might not be an emergency but a great deal depended on the type of prisoners who might have to be confined.

After much discussion Rep. Hambleton moved and seconded by Rep. Eastman to pass this item over for the time being and discuss the matter of New Construction and Equipment, Moore General Hospital.

Rep. Pillsbury moved and seconded by Rep. Brosnahan that the sum of \$50,000.00 be approved. So voted.

Commissioner Dupont explained that this included wages of the Clerks and Investigators Wages and expenses in Nashua, Milford and Manchester offices, telephone bills, medical services for Welfare patients, rent and light for Milford office. The increase was due to the fact that two new investigators had been hired, one in Manchester and one in Milford.

Rep. Nolette moves and seconded by Rep. Lemay that the requested sum of \$76,072.00 be reduced to \$75,000. So voted.

Surplus Commodities \$4,000.00

Rep. Pillsbury asked why Surplus Commodities was added as a new item when it was understood that surplus commodities had been a part of the relief picture for some time. Commissioners Dupont and Langdell both explained that this is the approximate amount that it will cost the County for distributing Surplus Foods not only to persons on relief but those who are borderline cases and represents 5% of the wholesale cost of commodities received. Previously the towns and cities paid the County a portion of what they received but now this unnecessary.

Rep. Pillsbury moved seconded by Rep. Daniel that the sum of \$4,000.00 be approved. So voted.

At this time a discussion took place on the salary increases. Rep. Vachon asked if the raises were to be retroactive. After much discussion it was decided that the Commissioners and department heads make the decisions.

Rep. Pillsbury made a motion to adjourn the meeting with the understanding that because the final figures for the budget were not available at that particular time because of several changes in requests the County Tax would be set in accordance with the figures accepted at this Delegation Meeting.
